- b) Promotion Idea:

To join the Ocean City, Maryland Convention and Visitors Bureau as a Marketing Partner, fill out the application information below and submit. The introductory fee is just \$300.00.

The benefits for the racquet center could be well-worth the member fee.

If we became a member, we could ask them to add “Racquet Sports” to the drop-down menu under “Things To Do”.

They promote Ocean City Events with separate listings for all members.
