

## **Minutes of the Racquet Sports Advisory Committee**

**May 11, 2023**

Meeting was called to order at 4PM.

Members of the committee attending were Susan Morris, Ron Kurtz, Kathy Stone, Patty Felix, Gail Keiling, Cel Popen, Karen Kaplan, Cathy Noble, Angela Hunter.

Meeting minutes of April 13<sup>th</sup> – Susan made a motion to approve the minutes. Kathy Stone was second. All approved.

\*Attending the meeting were Mike Petito, Audrey Wahl, June Freeman, Dave Tanner, Dale Ash, and Vin Morris. The attendees spoke in favor of postponing our vote on a new RC building until more information was available concerning costs, adverse effect on fees, and subsequent plans.

\*Our committee members then discussed the future of the RC. Several members brought up the age of the building. Is it obsolete? The Racquet Campus is growing. Should OP have a new building with office space for the manager, more bathrooms to facilitate resident use as well as tournaments, and additional storage space as well. Open meeting space for RC players and residential use would add a second story. After discussion, the motion was passed, 7-0 with 2 abstentions, for a 2-story building.

\*The C-14 was referred to for possible revision.

The meeting was adjourned at 5PM.

Respectfully submitted,

Susan Morris, Chair of RSAC
