4 PM Sept. 8, 2022

Members attending: Ron Kurtz, Patty Felix, Karen Kaplan, Gail Keiling, Susan Morris

Ocean Pines Board Member Liaison: Colette Horn

The pickle court resurfacing has been delayed and may interfere with upcoming play.

Karen asked that the muddy area around the water spigot near court 2 needs to be addressed.

A discussion of the high number of players, especially non-members, who bypass the check-in table, play without paying. Patty remarked that this was lost revenue. Ron suggested wristbands which he had experienced at other clubs. Non-oversight of player participation is an issue. Colette has taken note of the good work of the attendants at the table, but players often walk around that area.

Colette spoke about John Viola's vision for the racquet center on a long range time line of 3-5 years. A discussion of a possible head of the complex was positive among the members.

The next meeting will be Oct. 13<sup>th</sup> at 4PM. The members should go to the Ocean Pines website, Committees, Rackets, and print out the Resolution C-14 to be brought to the meeting.
