AGENDA:

PUBLIC COMMENTS

April 23, 2019 MINUTES APPROVAL

DIRECTOR OF GOLF REPORT

- April Golf Operations Financial Review
- April weather effect on play/revenues
- April rounds played
- Update on outside bathroom rebuilds.
- Continued update on securing outside rounds and membership from Bay Club.
- Steps taken or to be taken to improve customer service in all areas of the golf course operation.
- Update on the new golf "Purchase Card" for resident play between Memorial Day and Labor Day.

GREES REPORT – GOLF COURSE SUPERINTDENT

- Update on the progress for in season course maintenance initiatives
- Course maintenance staffing update.
- New fans for greens # 7 and 14 installation timeline.

NEW ISSUES / TOPICS FOR DISCUSSION

- New clubhouse design layout review – Frank Brown.
- Update(s) on the clubhouse/cart barn projects - FD
- Grass seeding around the immediate 10'-15' area around all greens. This area typically lack a full/solid growth of grass around the greens and on most greens leave spots where there are areas where there is no grass at all resulting in unfavorable/unplayable lies.
- Assessment of the current condition of the course sprinkling system infrastructure including automation control.
