 Ocean Pines, MD 21811

PROJECT: Pool parking lot

The following scope of work is based on measurement by Terra Firma: Paving 23,000 SF

Scope of Work

Paving Parking lot

1. (1) Mobilizations for said scope of work are included.
2. Mill butt joints as needed for smooth transition.
3. Broom area free of loose debris.
4. Pave parking lot with 2 inches 9.5 MM superpave hot mix, machine laid and rolled.
5. Lay out and stripe.

BID for the above scope:

\$ 27,896.00

BASE BID NOTES

1. Hot mix prices are based on **May 2016** liquid asphalt base index being **\$331.67** per metric ton. Hot mix quoted is 64-22/160 unless otherwise specified. Paving will be invoiced to reflect changes in liquid asphalt, energy and fuel escalation costs from the time of the proposal.
2. We propose to furnish labor and material complete in accordance to the above specifications. This proposal may be withdrawn if not accepted within 30 days from bid date.
3. Terra firma does not guarantee drainage from pavement if slope is less than 1%.
4. New pavement is prone to scuff marks by vehicle traffic. This is normal, and scuff marks will wear off with time.

BASE BID EXCLUSIONS

- All Permits, fees and bonds
- Undercut of unsuitable soils and removal.
- Not responsible for damage to brick borders.
- Any work not specifically mentioned in the above scope of work.

Terms: One third upon acceptance, balance net 15 days from date of invoice. A 1.5% per month service charge will be added to all unpaid balances after 30 days from the date of invoice.

Authorization: I hereby authorize Terra Firma of Delmarva Inc. to perform the work as outlined in the enclosed proposal. This proposal serves as a binding contract. Work will not be scheduled until this is signed and returned.
