

**2018 Annual Report to the Board of Directors
Aquatics Advisory Committee**

Section I - Committee Members & Status of Terms

<u>Name</u>	<u>Date Appointed</u>	<u>On Term</u>
<u>Comments</u>		
Kathy Grimes, Chair.	2/26/16	Expires 1/26/18
Annamarie Wolfsheimer, Sec.	12/21/15	Expires 12/17/18
Virginia Reister.	10/06/17	Expires 9/29/20
John Noonan.	4/06/18	Expires 3/29/21
Brooks Ensor	11/15/18	Expires 11/10/21

Section II - Summary of Major Activities during Reporting Period

1. Sports Core Pool - full drain and clean of the pool and resealing of the deck rubber rock.

2. Sports Core Pool - Clear Comfort, disinfection system, researched and installed on a rental basis to see if it meets our needs adequately. We will be comparing the monthly testing from Health Dept over last year to see the impact on the water. (Smell not as strong, used less chlorine will be interesting if using less chlorine. Check on how much have to fill the chlorine tank. Monthly reports and can compare last months versus this year months. If we chose to purchase drop from \$20,000 to \$10,000 review. Bd approved dehumidifier to be replaced around Thanksgiving. Right now water cooler from nights and air. One of water heaters being replaced.)

Clear Comfort - presently water quality is very good. Rental of the unit is \$5,000 year with the cartridges...\$5,000 will not be put towards purchase. Purchase price: \$20,000. Still use chlorine but looking for it to make air quality better.

3. Sports Core Pool - Heating Unit and Dehumidifier were replaced.

4. All pools were covered and secured for the winter season.
5. Classes are at their maximum capacity.
6. Successful completion of the 4th grade and Home

Schooled Swim Programs.

6. Colby continued, with passion, to grow the Aquatic programs here in Ocean Pines. It is evident by the year by year accomplishments. She works extremely well and professionally with the committee. Growth such as what she has done is exceptional. Without her, Ocean Pines may not have made the great strides, not just in programming but in growing the revenue, for Ocean Pines.

Section III - Problems Encountered & Assistance Required

1. Continue to investigate the pool leak at the Mumfords Landing Pool.
2. A Good Problem! Sports Core is at its maximum capacity for class enrollments. The committee is looking at ways to assist with the growing need of more classes and equipment.
3. Sports Core - the relatively new flooring has failed due to vendor error.

Section IV - Request for items to be included in the next Ocean Pines Aquatics Budget

1. Need for a “training room / meeting room / party, etc and/or before and after school program at Sports Core.
2. Redo the Sports Core deck due to vendor installation error.
3. Investigating the pool leak at Mumford’s Landing pool. The Mumford’s Landing pool is being monitored for foundation structure strength to maintain its integrity.

Section V—Recommendations for Board Action

1. Need for a “training room / meeting room / party and or before and after school program at Sports Core.
2. Redo the Sports Core deck due to vendor installation error.
