UNFINISHED BUSINESS

- Plastic bag pollution (neighborhood newspapers) – Tom Stauss contacted Sharon to discuss Anne's phone call to him. Sharon will provide update.
- MD 90 Corridor Improvements (researched by John) – Since the board has appointed an ad hoc committee that will focus on Rt. 90 highway and bridge expansion, we shall conclude our research.
- South Pond Buffer Plan – Work continues on this project. Karen will provide an update.

NEW BUSINESS

- Introductions and Welcome to our newest member: Patricia (Patty) Gamby
- Discuss our consensus on addressing inaccurate and negative misinformation appearing in social media and/or newspapers concerning committee projects.
- Green Street Article for next newsletter due Sept. 15th to Josh Davis – what are possible topics and who might write the article.
- Fishing Events – Discuss possible solutions to the problem of tangled gear catching in trees and left in the water such as hooks, lines, bobbers and monofilament left behind at fishing events snaring wildlife (seagull and baby heron).
- Sewage Tanks overflowing during heavy rains – Begin research on making recommendations to the board on solutions to this reported issue.

Date of next meeting – September 7, 2022, at 10 a.m. in the East Room.
