

# **AGENDA**

## ENVIRONMENT & NATURAL ASSET ADVISORY COMMITTEE

Wednesday, February 16, 2022, 10 AM

### **East Room**

Call to Order

Chairman's comments:

Approval of Agenda:

Approve the minutes from the January 13, 2022 meeting.

Public Comments:

## **UNFINISHED BUSINESS**

- Status of new geese signs – Debbie/Amy (loose end)
- Prepare/finish submission to educate the board on the universe of goose control options and the ones we have used in the past decade and why. After committee agrees, submit to Doug Parks before Board Meeting in March.

## **NEW BUSINESS**

Discussions about new items to consider pursuing in 2022:

- Saving the shad in the South Pond in concert with Maryland Coastal Bays
- Planting indigenous vegetation or flowers that only grow 12 inches and also determine where plants might be most offensive (i.e. fishermen)
- Discuss with board the logic of cutting plants to 12 inches around ponds as needed so Public Works can become involved
- Route 90 Pond – continue plans already discussed with help of MCB making it a nature trail with educational signs along the way
- Look at erosion around South Pond and possibly planting vegetation that will help resolve this issue also

Date of next meeting – March 16, 2022, at 10 a.m. in the East Room.
