

AGENDA

ENVIRONMENT & NATURAL ASSET ADVISORY COMMITTEE

Wednesday, May 18, 2022, 10 AM

East Room

Call to Order

Chairman's comments:

Approval of Agenda:

Approve the minutes from the April 13, 2022 meeting:

Public Comments:

UNFINISHED BUSINESS

- New geese signs - waiting for Public Works to mount signs around the ponds (North, South and Bainbridge) as previously marked.
- Briefly discuss Bay Day activities from this past Sunday, May 15th. Pat participated with Marine Activities Committee's river trash cleanup.
- Doug Parks with update on wetlands environmental issue on Boston Drive.
- Review and finalize our presentation for the board meeting to be held on May 25th. Erosion information, planting indigenous vegetation no taller than 12" and pond buffers (along with pictures) will be included.
- Route 90 Pond – Call from resident that trash cans/dog poo bags are needed. People are not cleaning up after their pets around the pond plus trash is discarded on pathways. Also we were made aware that a kayak launch already exists and will discuss reaching out via our board liaison to contact Public Works for clean-up/maintenance.

NEW BUSINESS

- Discussion by guest speaker, Billy Weiland of ACT, on indigenous plants around our ponds, best buffers to stop erosion, and best practices to ensure plant survival.
- Sanctioned plastic bag pollution by neighborhood newspaper - Doug Parks will inform if the board will approve other delivery methods such front porches OR stop home delivery and pick up copies at the administration building or newspaper vending machines at mailbox locations.

Date of next meeting – June 15, 2022, at 10 a.m. in the Golf Club House.
