I. Announcements

No announcements

II. Old Business

Roy supplied us with a copy of: The Future Needs and Concerns for the Ocean Pines Community A letter to the comprehensive and Planning Committee that lists 8 goals that our committee would like to see implemented over the next ten years.

III. New Business

Go over 2002 plan Table 6-13 Resident Recreational Amenities Ranking

Ask about the questionnaire that shows Walking/Biking trails received more than 50% support from residents

Construction of a bridge over 90 Trail south side of rt.90

IV. ACTION

Objective and policy Recommendation

Increase the number of miles of pedestrians and biking trails by linking parks and enhancing access to them. Acquire open space to satisfy recreation needs and manage growth to protect community character and qualities
