No meeting in August

All committee members Please plan to attend the Sept. meeting.

Prepare info for 20year plan

II. Old Business

Sonya gave us a status update. Mulch has not been completed. The gym floor will be a floating wood floor. Same budget if public works removes old floor. August time frame. Two week job. Still need better drainage behind building. Lights for baseball field arrive July 28th. Construction Aug. 5th Aug 8th. 6poles steel and concrete, halide lights. The boat ramp has not been discussed. Pickle ball and tennis are working out, new courts requests are in the budget.

Vandalism is up. Mulch was set afire at Bridgewater Park.

Tres reports on Bainbridge Park. We have seen increased use. Trails are still being groomed. No more unauthorized building going on.

III New Business

15 year plan to replace each playground one each year. Working towards ADA compliance.

Tim still has hole sponsorships open for his event.

IV Actions

Roy will prioritize the parks and their purpose.

Tres will work with Public Works to open up the library trail. Robin hood Trail needs a culvert at the end of Hickory to circumnavigate trail termination.

Find out what the casino has planned for pedestrians and cyclists.

20year plan ideas.

Bike park /pump track

More trails connecting parks and neighborhoods

Reduce speed limits 30mph parkway, 15mph side streets

Dedicated pedestrian bike lane

Cross Walks at Southgate intersections. Roundabout
