Discussion

Beach Club

Suggested that the Beach Club building needs some attention by Public Works
Can a regular schedule for maintenance be set up?

Bathrooms need more toilets and fewer (none?) showers

Add additional storage for staff
Add storage lockers for Pool Users to Rent

Electrical/internet problems

Make better use of upstairs bar area
have Music

host beer/wine/food tastings in evenings during week for OP residents

Apply for Public Liquor License to open to public

Food is consistently good w/more options than YC
Most items are staples offered all the time
easier for cooks to replicate consistently
Linda has ownership of facility and oversees operation

Explanation was that BC uses all Sisco food that can be cooked on the grill or fryer. YC makes everything fresh. CAC member Commented that YC uses a lot of Sisco items as well and they are not done as well. Example is the “Crispy Calamari”

The Cove @ YC

YC has Executive Chef, Sue Chef, Kitchen manager, Expediter, and line cooks
smaller menu and inconsistent

Food choices still not good or what customers want.

Asked Jerry for list of items being ordered.

The cove has not figured out what it wants to be.

Fine dining OR good bar food with a few specials?

YC budget items

Bar rail going in AFTER room dividers?

Bar rail may bring more customers in, dividers can wait till after season

Casual sitting area between Ti-Ki and rail?

Can you get Public Works moving on this?

PW seems overbooked with work orders.

Not enough help?

BOD cut budget for PW staff. 6 years ago PW had a staff of 36, it is now only 24. This causes delays in getting maintenance and special projects completed

YC Ti-Ki Bar awnings

started on Monday last week. Still not up on following Sunday.

Contractor ordered wrong size. Will be installed soon

Storage space @ YC.

New building had plenty of storage area.

Why are chairs piled next to fence @ Ti-Ki bar/pool?

Grill

Not feasible to incorporate all of the county requirements to have a grill due to expense
